Training & Placement Cell Report AY 23-24

Mr. Pramod P. Menase
Training & Placement Officer

Training & Placement Cell

The mission of Training and Placement Cell is to train students to achieve maximum placement through dedication, attitude and complete involvement. The T&P cell holds the objective of acquainting the students of the Institute with Industries. The Placement cell organizes and extends services towards collaborative placement activities. The cell conducts training activities for the final year students mainly focusing on Career planning, Personality Development, Industry- Institute Interaction, off site training, Industrial visits Campus placements and Entrepreneurship Development. T&P Cell also provides Implant training for 2nd year & 3rd year students. Continuous interaction of the cell with the industries also helps in achieving the above goals & motivating students to contribute in this direction. This cell also helping students to improve their command on English language & Communication skills. To make them able to select in company we continuously take their aptitude tests.

In plant Training Record Summery

Summer 2024

- Industrial training course is introduced to all diploma programmes with an objective to develop the traits of industry culture among the students before they enter into world of industry.
- Understand the actual working of an industry, best practices adopted in industry.
- Industrial skills like, soft skills, life skills and hands-on will be inculcated among the student.
- This short association with industry will be instrumental in orienting the students in transforming them into industry ready output after completion of diploma.

Department	Total no. of Admitted Students in SY	Industry Name	No. of Students Completed In-plant Training	Duration of In-plant Training

Electronics & Telecommunication Engineering	62	LHP, CATronix Valvo E-Bike Boddul Electronics Service Center Vertex Technosys AK Electronics	62	6 Weeks
Information Technology	63	Katare Informatics Vertex Technosys Panchakshari Technologies Dream Technology	63	6 Weeks

Soft Skills Development Lectures.

- The course aims to cause a basic awareness about the significance of soft skills in professional and inter-personal communications and facilitate an all-round development of personality. Hard or technical skills help securing a basic position in one's life and career. But only soft skills can ensure a person retain it, climb further, reach a pinnacle, achieve excellence, and derive fulfilment and supreme joy. Soft skills comprise pleasant and appealing personality traits as self-confidence, positive attitude,
- emotional intelligence, social grace, flexibility, friendliness and effective communication skills.
