Training & Placement Cell Report AY 2019-20

Mr. Pramod P. Menase
Training & Placement Officer

Training & Placement Cell

The mission of Training and Placement Cell is to train students to achieve maximum placement through dedication, attitude and complete involvement. The T&P cell holds the objective of acquainting the students of the Institute with Industries. The Placement cell organizes and extends services towards collaborative placement activities. The cell conducts training activities for the final year students mainly focusing on Career planning, Personality Development, Industry- Institute Interaction, off site training, Industrial visits Campus placements and Entrepreneurship Development. T&P Cell also provides Implant training for 2nd year & 3rd year students. Continuous interaction of the cell with the industries also helps in achieving the above goals & motivating students to contribute in this direction. This cell also helping students to improve their command on English language & Communication skills. To make them able to select in company we continuously take their aptitude tests.
